SHEEP IN THIS FIELD!!

Over the last few weeks we have had an increase of Sheep Worrying in Rother.

PCSO Holter (wildlife crime officer) says:

'incidents like this are becoming more common, they have a massive impact on both farmers and dog owners, no matter how behaved / plased they are dogs can still turn when faced with another animal'. We are urging people who walk their dogs in fields, to keep them on a lead at all times. We have had 3 incident in the last week.

Please keep your dogs on a lead
Dogs caught chasing or attacking livestock may be shot by farmers and owners may face prosecution.
